Grade: _____ Subject Areas Requested: _____

Days Available: Mon: Tues: Wed: Thurs: Fri: Sat: Sun: Location: Online: In Person:

I want to meet for: _____ hour(s), _____ times a week for _____ weeks.

Beaumont Library provides a tutoring service where we connect honours students to younger students in need of homework help. This is an opportunity for tutors to gain mentorship skills and tutees to improve in their studies through lesson/homework help. This is not a professional tutoring program.

Beaumont Library is available for in-person or online tutoring. Online tutoring requires access to a device with a camera and a microphone. Our coordinator will assist in connecting tutors and tutees with an online platform and will provide technology support if required.

The rate for tutors is \$12/hour. Rates are to be prepaid monthly directly to the tutor for each session. Tutors must be contacted at least the evening prior should a tutee be unable to make it to their session.

Sessions are to be confidential, discussed only with the parents, tutor, or the coordinator:

- We ask that parents / tutees to let the coordinator know if they are encountering problems.
- We ask that parents inform the coordinator when regular sessions end.
