

Student to Student Tutoring: Tutor Application (Grades 9-12)

Must have an 80% average:

Please supply a copy of your most recent report card, or a screen-capture of PowerSchool.

Name: _____ Phone: _____

Email: _____ Language: ENG: FRE:

Grade: _____ Strong Subjects: _____

Days Available: Mon: Tues: Wed: Thurs: Fri: Sat: Sun:

Location: Online: In Person:

Beaumont Library provides a tutoring service where we connect honours students to younger students in need of homework help. This is an opportunity for tutors to gain mentorship skills and tutees to improve in their studies through lesson/homework help.

Beaumont Library is available for in-person or online tutoring. Online tutoring requires access to a device with a camera and a microphone. Our coordinator will assist in connecting tutors and tutees with an online platform and will provide technology support if required.

The rate for tutors is \$12/hour. Rates are to be prepaid monthly directly to the tutor for each session. Tutors must be contacted at least the evening prior should a tutee be unable to make it to their session.

Sessions are to be confidential, discussed only with the parents, tutor, or the coordinator:

- We ask that tutors let the coordinator know if they are encountering problems regarding academics, payment by families, or behavior problems.
- We ask that tutors maintain communication with the student's parents and the tutor coordinator.
- We ask that tutors inform the coordinator when regular sessions end.
